Assured Natural Distribution Inc.

Our Story

At Bioclinic Naturals, we offer an exclusive health care practitioner line of evidence-based natural health products. Each formula is developed by the industry leading, outstanding scientists and health care practitioners on our Scientific Advisory Board to meet, and exceed, the needs of your patients.

Every great product starts with the best ingredients. Our goal is to provide the best quality, tested raw materials. We have over 600 acres of certified organic farmland in Canada's Okanagan Valley, and whenever possible we grow our own plant-based ingredients. Any raw material we do not produce ourselves is subjected to the highest level of scrutiny to ensure the quality and purity.

We are Canada's leading nutraceutical manufacturer. We have state of the art manufacturing facilities that include tabulating and softgel encapsulation. Our standards meet or surpasses the Canadian good manufacturing practices (GMPs) established by the Natural and Non-Prescription Health Products Directorate (NNHPD) of the Canadian Federal Government, and Canadian Food Inspection Agency (CFIA) regulations. Our products also meet or exceed other international standards including

the United States Food and Drug Administration (FDA), the United States Pharmacopeia (USP), and the Australian Therapeutic Goods Administration (TGA).

Our commitment to quality is reflected in the millions we have invested in expanding our in-house Quality Control, Quality Assurance, and Research & Development capacity, allowing us to verify the purity, potency, and efficacy of each and every product. We have advanced analytical technology and equipment, including HPLC and Mass Spectrometry, and can test for over 400 contaminants down to the molecular level. We adhere strictly to good laboratory practices (GLP), and our products are ISURA Certified. This third party certification tests for non-GMO, contaminants, and identity.

Bioclinic Naturals' focus is on clinical application for nutritional interventions and strategies for preventive medicine. Our unique formulas meet practitioner needs for both condition-specific challenges and overall health enhancement. Our continual commitment to product quality in every stage of production for every product ensures that our products have earned the trust of practitioners and their patients.

ISURA—TAKING THE NEXT STEP

ISURA is an independent, non-profit analytical testing and certification organization. ISURA is committed to championing the Natural Health Products (NHP) industry by helping it to produce science-based products that stand up to its harshest critics.

ISURA's mandate is to serve as a resource and provide certification services for stakeholders throughout the NHP supply chain with a goal of:

- Augmenting the safety of NHPs
- Ensuring label accuracy
- Increasing consumers' confidence in NHPs
- Providing education on NHP products
- Supporting research and development for improved test methodologies and analytical equipment

The standards for ISURA's certification services for NHPs are among the world's highest. They meet or exceed international standards for natural health products set by organizations such as:

- ABC (American Botanical Council)
- CFIA (Canadian Food Inspection Agency)
- CRN (Council for Responsible Nutrition)
- EU (European Union)
- FDA (United States Food and Drug Administration)
- HC (Health Canada: NNHPD)
- TGA (Therapeutic Goods of Administration of Australia)
- USP (United States Pharmacopeia)
- WHO (World Health Organization)

Furthermore, ISURA's laboratories meet strict Standards Council of Canada guidelines for laboratories, and ISO 17025 laboratory standards.

ISURA CERTIFIED

To earn the ISURA Seal of Approval, products must undergo a battery of laboratory tests that confirm that a product's actives and excipients are:

- ✓ Non-GMO compliant
- ✓ Contaminant-free
- ✓ Adulterant-free
- ✓ Authenticated
- ✓ Accurately and inclusively labeled

NON-GMO • MASS SPEC

Documentation ✓ Lab Tested ✓

ISURA'S SEAL OF APPROVAL

ISURA's core mandate is to serve as an analytical competence centre for the analysis of natural health products (NHPs) at all stages of processing and manufacturing.

The ISURA Seal of Approval is a scientific certification. It is only granted to products that have undergone and passed ISURA's stringent battery of laboratory tests. The seal is emblematic of the trust that consumers can exercise in ISURA certified products.

TRACEABILITY

The authentication and integrity of finished products will increasingly rely upon the traceability of actives and excipients. ISURA has in place test protocols and analytical equipment that enables it to deliver on this higher level of confidence in ISURA certified products.

EMIQ Activated Quercetin Potent Antioxidant

Code	9411
Size/Form	60 Vegetarian Capsules
NPN	80049716

Product Overview

- Greater absorption than quercetin
- Provides 167 mg Enzymatically Modified Isoquercitrin (EMIQ) and 50 mg vitamin C per capsule
- Prepared using a natural enzyme process that attaches polysaccharides to convert quercetin into a soluble form
- Suitable for vegetarians/vegans

Ingredients

Each Capsule Contains:

EMIQ (Enzymatically Modified Isoquercitrin).....	167 mg (Providing 50 mg of Highly Absorbable Quercetin)
Vitamin C (Calcium Ascorbate)	50 mg

Non-medicinal Ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 capsule, 1–2 times per day, or as directed by a health care practitioner. Consult a health care practitioner for use beyond 8 weeks.

Benefits

Bronchitis
Detoxification
Heart Health
Immune Enhancer

NAC N-Acetyl-L-Cysteine Supports Immune Function

Code	9524
Size/Form	90 Vegetarian Capsules
NPN	80044142

Product Overview

- 500 mg
- Relieves symptoms of chronic bronchitis
- Supports glutathione synthesis
- Improves endothelial function and supports nitric oxide synthesis
- Stable and highly bioavailable

Ingredients

Each Capsule Contains:

NAC (N-Acetyl-L-Cysteine) (Free Form).....	500 mg
--	--------

Non-medicinal Ingredients: Rice starch, vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 capsule 2–3 times per day or as directed by a health care practitioner. Do not use beyond 24 weeks. Take with meals providing protein.

· GUARANTEED ·

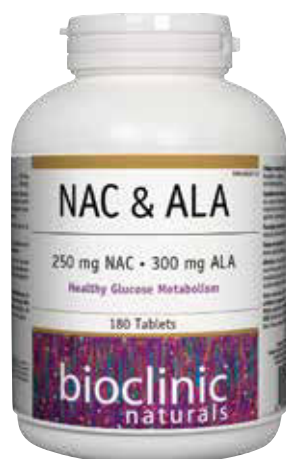

Bioclinic Naturals® products are guaranteed to meet or exceed Good Manufacturing Practices (GMP) of the U.S. Food and Drug Administration (FDA), Health Canada, and the Therapeutic Goods Administration (TGA) of Australia.

NAC & ALA 250 mg NAC • 300 mg ALA Healthy Glucose Metabolism

Code	9521
Size/Form	180 Tablets
NPN	80055115

Product Overview

- Provides clinically relevant doses of N-acetyl-L-cysteine and alpha-lipoic acid
- NAC and ALA have direct antioxidant action, and also enhance the synthesis and regeneration of glutathione, the key cellular antioxidant
- Support mitochondrial function as well as phase 2 antioxidant enzyme upregulation
- Improves endothelial function and also supports nitric oxide synthesis
- Reduce hyperglycemia associated damage

Ingredients

Each Tablet Contains:

N-Acetyl-L-Cysteine	250 mg
Alpha-Lipoic Acid	300 mg

Non-medicinal Ingredients: Microcrystalline cellulose, dibasic calcium phosphate dihydrate, stearic acid, vegetable grade magnesium stearate (lubricant), coating (carbohydrate gum [cellulose], glycerin), silica, croscarmellose sodium.

Recommended Adult Dose: 2 tablets per day with meals or as directed by a health care practitioner.

CoQ10 Heart Health · Energy Support 200 mg

Code	9310, 9311
Size/Form	30, 60 Softgels
NPN	80028367

Product Overview

- Identical to the form produced by the human body for high bioavailability
- Improves many varied health conditions, including cardiovascular disease, cellular decomposition and oxidative stress
- Vital for energy production
- Free of contamination by undesirable residue or microorganisms, including bacteria or yeast
- Supports nervous system function

Ingredients

Each Softgel Contains:

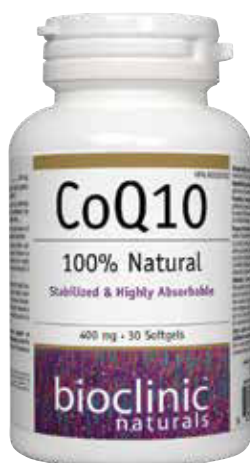

Coenzyme Q10 (Microorganism)..... 200 mg

Non-medicinal Ingredients: Rice bran oil, softgel (gelatin, glycerin, purified water, carob), natural vitamin E.

Recommended Adult Dose: 1 softgel per day, preferably with a meal, or as directed by a health care practitioner.

Benefits

Heart Health
Antioxidant
Cholesterol
Gum Health
Healthy Aging

CoQ10 100% Natural · Stabilized & Highly Absorbable · 400 mg

Code	9314
Size/Form	30 Softgels
NPN	80028342

Product Overview

- Improves many health conditions, including cardiovascular disease, cellular decomposition and oxidative stress
- Supports healthy nerve and muscle function
- Higher dosage of 400 mg reduces the need of taking multiple pills during the day
- Free of contaminated residue or microorganisms, including bacteria or yeast
- In a base of rice bran oil and vitamin E

Ingredients

Each Softgel Contains:

Coenzyme Q10 (Microorganism)..... 400 mg

Non-medicinal Ingredients: Rice bran oil, softgel (gelatin, glycerin, purified water, carob), natural vitamin E.

Recommended Adult Dose: 1 softgel per day, preferably with a meal, or as directed by a health care practitioner. Use for a minimum of 3 months to see beneficial effects.

OptiMega-3® Supports Cardiovascular Health

Code	9351
Size/Form	180 Enteripure™ Softgels
NPN	80012786

Product Overview

- Optimal 2:1 ratio EPA to DHA
- Pharmaceutical grade omega-3 blend, USP standard verified fish oil
- Free from lipid peroxides and environmental pollutants, including heavy metals, pesticides, dioxins, PCBs and other harmful compounds
- Sourced from wild anchovies, sardines, and/or mackerel

Ingredients

Each Softgel Contains:

Fish Oil Concentrate (Molecularly Distilled, Ultra Purified) (Anchovy, Sardine and/or Mackerel)	1170 mg
Omega-3 Fatty Acids	630 mg
Eicosapentaenoic Acid (EPA)	400 mg
Docosahexaenoic Acid (DHA)	200 mg

Non-medicinal Ingredients: Enteripure™ softgel (gelatin, glycerin, purified water, pectin), natural vitamin E.

Recommended Adult Dose:

For Cardiovascular Support, Cognitive Health and Reducing Serum Triglycerides: 1 softgel 2–4 times per day or as directed by a health care practitioner.

For Mood Balance: 1 softgel 3–4 times per day or as directed by a health care practitioner.

For Reducing Pain of Rheumatoid Arthritis: 5 softgels per day or as directed by a health care practitioner. Keep out of reach of children.

OptiMega-3® with Vitamin D3 Supports Cognitive Health

Code	9353
Size/Form	90 Enteripure™ Softgels
NPN	80066571

Product Overview

- High dose of omega-3 fatty acids and vitamin D3 convenient once daily dosing
- Pharmaceutical grade omega-3 blend, USP standard verified
- Omega-3 EPA and DHA 900 mg
- Vitamin D3 1000 IU

Ingredients

Each Enteripure™ Softgel Contains:

Fish Oil Concentrate (Molecularly Distilled, Ultra Purified) (Anchovy, Sardine and/or Mackerel)	1425 mg
Omega-3 Fatty Acids	900 mg
Eicosapentaenoic Acid (EPA)†	600 mg
Docosahexaenoic Acid (DHA)†	300 mg
Vitamin D3 (Cholecalciferol)	1000 IU (25 mcg)

† Ethyl ester form

Non-medicinal Ingredients: Enteripure™ softgel (gelatin, glycerin, purified water, pectin), natural vitamin E.

Recommended Adult Dose: 1 softgel per day or as directed by a health care practitioner. Keep out of reach of children

Benefits

Brain Function
Inflammation
Immune Function
Heart Health
Healthy Skin

OptiMega-3[®] with Vitamin D3 Pharmaceutical Grade

Code	9370
Size/Form	200 ml Liquid
NPN	80073481

Product Overview

- Optimal 2:1 ratio EPA to DHA, provides convenient once per day dosing
- Supplies clinical dosing of 1500 mg EPA and 750 mg DHA in triglyceride form, and 1000 IU Vitamin D3 per teaspoon
- Pharmaceutical grade omega-3 blend, USP certified verifying the quality and consistency of the fish oil
- Free of lipid peroxides and environmental pollutants, including heavy metals, pesticides, dioxins, PCBs and other harmful compounds
- Highly bioavailable and easy to take in a delicious lemon flavour

Ingredients

Each Teaspoon (5 ml) Contains:

Fish Oil (Anchovy, Sardine and/or Mackerel)	4500 mg
Omega-3 Fatty Acids	2630 mg
Eicosapentaenoic Acid (EPA)	1500 mg
Docosahexaenoic Acid (DHA)	750 mg
Vitamin D3 (Cholecalciferol)	1000 IU (25 mcg)

Non-medicinal Ingredients: Lemon flavour, lemon peel essential oil, tocopherols, monk fruit extract.

Recommended Adult Dose: 1 teaspoon (5 ml) per day or as directed by a health care practitioner. Keep out of reach of children.

Benefits

Brain Function
Heart Health
Mood Balance
Overall Health

OptiMega-3[®] Q10 Pharmaceutical Grade · Supports Cognitive Function

Code	9322
Size/Form	60 Enteripure™ Softgels
NPN	80029633

Product Overview

- Provides 600 mg EPA and 300 mg DHA, and 100 mg CoQ10 per softgel
- Optimal 2:1 ratio EPA to DHA
- Pharmaceutical grade omega-3 blend fish oil, USP standard verified
- Free of lipid peroxides and environmental pollutants, heavy metals, pesticides, dioxins, PCBs, and more
- Highly bioavailable softgel

Ingredients

Each Enteripure™ Softgel Contains:

Fish Oil Concentrate (Molecularly Distilled, Ultra Purified)	
(Anchovy, Sardine and/or Mackerel)	1407 mg
Omega-3 Fatty Acids	900 mg
Eicosapentaenoic Acid (EPA)	600 mg

Ubiquinol CoQ10 Cardiovascular Support • Cellular Energy • 100 mg

Code	9315
Size/Form	60 Softgels
NPN	80029020

Product Overview

- Highly absorbable and bioavailable form of CoQ10
- Increases plasma levels of CoQ10 significantly more per mg compared to ubiquinone
- Allows for higher peak plasma levels of CoQ10
- Kaneka QH brand ubiquinol is naturally produced via yeast fermentation
- Genetically Modified Organism (GMO) free, allergen free and Kosher certified

Ingredients

Each Softgel Contains:

Ubiquinol (Kaneka QH® Ubiquinol) (Microorganism)	100 mg
(Bioactive and Reduced Form of CoQ10)	
Organic Flaxseed Oil (<i>Linum usitatissimum</i>) (seed)	297 mg

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water, carob), yellow beeswax, non-GMO sunflower lecithin, vitamin E (non-GMO sunflower oil).

Recommended Adult Dose: 1 softgel 1–3 times per day or as directed by a health care practitioner.

Ubiquinol CoQ10 Cardiovascular Support • Cellular Energy • 200 mg

Code	9707
Size/Form	60 Softgels
NPN	80048860

Product Overview

- Offers a highly absorbable and bioavailable form of CoQ10
- Increases plasma levels of CoQ10 significantly more per mg compared to ubiquinone
- Allows for higher peak plasma levels of CoQ10, with 200 mg per softgel reflective of clinical trial dosing
- Kaneka Q+ brand for ubiquinol is naturally produced via yeast fermentation and is free of the impurities of synthetically processed CoQ10
- A base of organic flaxseed oil improves solubility and provides ALA-rich omega-3 fatty acids
- Genetically modified organism (GMO) free, allergen free, and Kosher certified

Ingredients

Each Softgel Contains:

Ubiquinol (as Kaneka Ubiquinol®)	200 mg
Flaxseed Oil (<i>Linum usitatissimum</i>) (seed)	340 mg

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water, carob), yellow beeswax, lecithin (non-GMO), vitamin E (non-GMO sunflower oil).

Recommended Adult Dose: 1 softgel per day or as directed by a health care practitioner.

BioClear™

Supports Metabolism and Detoxification

Code 9232

Size/Form 1 kg Powder

NPN 80073269

Product Overview

- Supports detoxification (Phase I and II) and elimination of numerous endogenous and exogenous toxins
- Provides 75 mg of magnesium bisglycinate
- Provides 10 mg of EMIQ – EMIQ, L-Glutamine with support of MSM help reduce inflammation in the intestines for improved absorption
- Improves glutathione synthesis
- Improves metabolic function
- Supports glucose regulation
- Provides bioavailable forms including 5-MTHF folate, riboflavin 5-phosphate, and methylcobalamin
- 16 g of low allergy protein per serving (pea and organic rice)

Ingredients

Each Serving (Approximately 30 g) Contains:

Vitamin A (Palmitate)	1000 IU (302 mcg RAE)
Beta-Carotene (<i>Dunaliella salina</i>) (whole)	1500 IU (900 mcg)
Vitamin B1 (Thiamine Hydrochloride)	6 mg
Vitamin B2 (Riboflavin 5'-Phosphate Sodium)	2.5 mg
Vitamin B3 (Niacinamide)	15 mg
Vitamin B3 (Niacin / Inositol Hexanicotinate)	4 mg
Vitamin B5 (Pantothenic Acid / Calcium d-Pantothenate)	25 mg
Vitamin B6 (Pyridoxal 5'-Phosphate)	5 mg
Biotin	75 mcg
Folate (from (6S)-5-Methyltetrahydrofolic Acid (MTHF), Glucosamine Salt, Quatrefolic®)	150 mcg
Vitamin B12 (Methylcobalamin)	25 mcg
Choline (Dihydrogen Citrate)	15 mg
Vitamin C (Calcium Ascorbate)	150 mg
Vitamin D3 (Cholecalciferol)	200 IU (5 mcg)
Vitamin E (d-alpha Tocopherol)	25 IU (16.8 mg AT)
Mixed Tocopherols	15 mg
Boron (Calcium Fructoborate)	50 mcg
Calcium (Ascorbate, Citrate Tetrahydrate, Malate, Dibasic Calcium Phosphate Dihydrate)	350 mg
Chromium (Picolinate)	50 mcg
Magnesium (Bisglycinate)	75 mg
Manganese (Citrate)	0.75 mg
Molybdenum (Citrate)	25 mcg
Phosphorus (Dibasic Calcium Phosphate Dihydrate)	150 mg
Potassium (Citrate)	50 mg
Selenium (Selenomethionine)	35 mcg
Vanadium (Citrate)	25 mcg
Zinc (Picolinate)	5 mg
Betaine	25 mg
EMIQ (Enzymatically Modified Isoquercitrin)	10 mg
Glycine	825 mg
Green Tea Extract (<i>Camellia sinensis</i>) (leaf) (Standardized to 45% EGCG, 80% Catechins)	12.5 mg
L-Glutamine	250 mg
L-Glutathione	12.5 mg
L-Lysine (Hydrochloride)	250 mg
MSM (Methylsulfonylmethane)	50 mg
N-Acetyl-L-Cysteine	25 mg
Taurine	55 mg
Pea Protein (<i>Pisum sativum</i>) (seed)	8.39 g
Organic Brown Rice Protein (<i>Oryza sativa</i>) (seed)	8.39 g
AT: Alpha Tocopherol	
EGCG: Epigallocatechin 3-gallate	

Non-medicinal Ingredients: Natural flavours (vanilla, cream, orange), medium chain triglycerides, monk fruit extract.

Recommended Adult Dose: Mix well 2 servings (60 g) per day in 375–500 ml of liquid (water, juice, etc.), immediately before consumption with food, or as directed by a health care practitioner. Take a few hours before or after taking other medications. Avoid taking at bedtime. Consult a health care practitioner for use beyond 8 weeks.

BioLivX[®] Liver Protectant Aids Digestion

Code 9224

Size/Form 90 Vegetarian Capsules

NPN 80049992

Product Overview

- Intense liver support
- Specific blend of nutrients and traditional herbs designed to promote healthy liver tissue
- Contains sodium glucuronate, a key nutritional substance used by the liver to bind toxins
- Promotes healthy detoxification of liver toxins and hormone excess
- Suitable for vegetarians/vegans

Ingredients

Each Capsule Contains:

D-Glucuronic Acid (from 200 mg Sodium Glucuronate)	180 mg
Licorice Extract (<i>Glycyrrhiza glabra</i>) (root)	80 mg
Glycyrrhizin (12%)	9.5 mg
Alpha-Lipoic Acid	50 mg
Silybin Phytosome [®]	50 mg
Silybin (<i>Silybum marianum</i>) (fruit) Bound to Phosphatidylcholine (Soy Lecithin) (<i>Glycine max</i>) (bean)	
Schisandra Extract (<i>Schisandra chinensis</i>) (fruit)	50 mg
Schisandrins (2%)	1 mg
Turmeric Extract (<i>Curcuma longa</i>) (rhizome)	25 mg
(Standardized to 95% Curcuminoids) (Providing 24 mg Curcumin, Demethoxycurcumin, and Bisdemethoxycurcumin)	
Panax Ginseng Phytosome [®]	25 mg
Panax Ginseng (root) Bound to Phosphatidylcholine (Soy Lecithin) (<i>Glycine max</i>) (bean)	

Non-medicinal Ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water), silica, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 4 capsules 2 times per day or as directed by a health care practitioner. Consult a health care practitioner for use beyond 2 weeks.

Clear-HM[™] Complete Detoxification Support

Code 9220

Size/Form 180 Vegetarian Capsules

NPN 80033669

Product Overview

- Complete detoxification support of heavy metals
- Contains nutrients which increase the synthesis and regeneration of glutathione, a potent detoxifier of reactive oxygen species and heavy metals
- Provides diverse antioxidant support as well as neurological, renal and hepatoprotective nutrients
- Highly bioavailable minerals supply detoxification enzyme cofactors

Ingredients

Each Capsule Contains:

Vitamin C (Ascorbic Acid)	166.6 mg
Milk Thistle Extract (<i>Silybum marianum</i>) (seed) (60% Silymarin)	116.7 mg
Organic <i>Spirulina platensis</i> Powder (whole cell)	83.3 mg
DL-Alpha-Lipoic Acid	66.6 mg
Magnesium (Citrate)	53.3 mg
N-Acetyl-L-Cysteine	41.6 mg
Selenium (Selenomethionine)	16.6 mcg
Vitamin B6 (Pyridoxine Hydrochloride)	4.16 mg
Zinc (Gluconate)	0.66 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), modified citrus pectin.

Recommended Adult Dose: 2 capsules 3 times per day with meals providing protein, a few hours before or after taking other medications, or as directed by a health care practitioner. Use for a minimum of 3 weeks to see beneficial effects. Consult a health care practitioner for use beyond 6 months.

Betaine HCl with 100 mg Fenugreek Supports Healthy Digestion

Code	9229
Size/Form	60 Vegetarian Capsules
NPN	80053147

Product Overview

- 500 mg
- Provides mucilage from fenugreek seeds to soothe gastrointestinal inflammation
- Naturally sourced from beets
- Suitable for vegetarians/vegans

Ingredients

Each Capsule Contains:

Betaine Hydrochloride	500 mg
Fenugreek (<i>Trigonella foenum-graecum</i>) (seed).....	100 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant), silica.

Recommended Adult Dose: 3 capsules daily with 250 ml of water or as directed by a health care practitioner. Consult a health care practitioner for use beyond 12 weeks.

BioDigest Digestive Aid

Code	9502
Size/Form	180 Capsules
NPN	80074759

Product Overview

- Broad spectrum digestive formula, designed to enhance carbohydrate, protein, and lipid absorption
- Provides clinical dose of HCL and complex of Betaine and L-Glutamic acid, restores optimal gastric pH within 10-15 minutes
- Provides pancreatic enzymes, containing protease, amylase, and lipase for broad-spectrum macronutrient digestion
- Ox bile promotes effective lipid and protein digestion, and targets metabolic function and intestinal flora composition

Ingredients

Each Capsule Contains:

Betaine HCL.....	240 mg
L-Glutamic Acid HCL.....	240 mg
Pancreatic Enzymes 11x* (<i>Sus scrofa</i>) (pancreas)	70 mg
Protease	19,250 USP
Amylase.....	19,250 USP
Lipase.....	1,540 USP
Ox Bile (<i>Bos taurus</i>).....	40 mg
Pepsin A (<i>Sus scrofa</i>) (stomach) (350,000 FCC PU).....	35 mg

USP (United States Pharmacopeia), FCC (Food Chemical Codex), PU (Papain Unit).

*11 times more concentrated than USP standard.

Non-medicinal Ingredients: Gelatin capsule (gelatin, purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 capsule 4 times per day with food, a few hours before or after taking other medications, or as directed by a health care practitioner. Consult a health care practitioner for use beyond 7 days.

DGL Deglycyrrhized Licorice Root Extract

Code	9227
Size/Form	180 Chewable Tablets
NPN	80037407

Product Overview

- 400 mg
- Chewable tablets are associated with the greatest clinical efficacy; it allows for licorice to be released in the stomach and dispersed/absorbed by the gastric mucosa
- Deglycyrrhization prevents adverse effects associated with licorice consumption
- Pleasant tasting chewable tablets
- Suitable for vegetarians/vegans

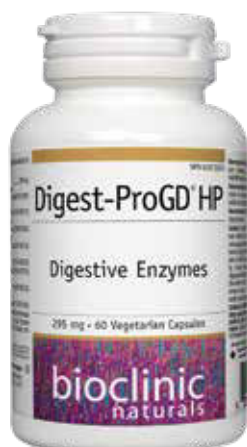

Ingredients

Each Tablet Contains:

Deglycyrrhized Licorice 10:1 Extract (*Glycyrrhiza glabra*) (root) 400 mg
Providing 4,000 mg crude herb licorice

Non-medicinal Ingredients: Xylitol, microcrystalline cellulose, aniseed, stearic acid, vegetable grade magnesium stearate (lubricant), silica, *Stevia rebaudiana* leaf.

Recommended Adult Dose: Chew 1 tablet 20 minutes prior to each meal, or as directed by a health care practitioner.

Gluten Sensitivity
Digestive Enzymes
Vegetarian/Vegan

Digest-ProGD® HP Digestive Enzymes

Code	9503
Size/Form	60 Vegetarian Capsules
NPN	80072201

Product Overview

- Provides fungal and bacterial proteases to hydrolyze difficult-to-digest proline-containing peptides such as gluten and casein
- Provides wide spectrum carbohydrate digestion with plant-based papain, bromelain, and fungal digestive enzymes
- High potency formulation allows for easy dosing, with nearly 300 mg enzyme blend delivered in each vegetarian capsule
- Completely suitable for vegetarians and vegans

Ingredients

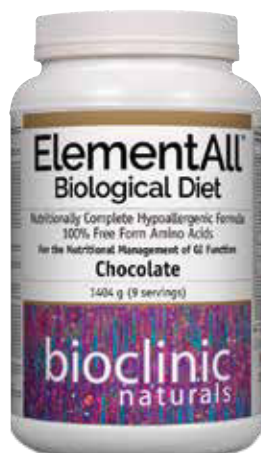

Each Vegetarian Capsule Contains:

Proprietary Enzyme Blend 295 mg
Fungal Protease (*Aspergillus flavus* var. *oryzae*) (whole) 153.35 mg (690 FCC SAP)
Bacterial Protease (*Bacillus subtilis*) (whole) 75 mg (75,000 FCC PC)
Fungal Protease (*Aspergillus flavus* var. *oryzae*) (whole) 24.36 mg (6,700 FCC HUT)
Alpha-Amylase (*Aspergillus flavus* var. *oryzae*) (whole) 18.67 mg (2,800 FCC DU)
Bromelain (*Ananas comosus* var. *comosus*) (stem) 9.55 mg (315,000 FCC PU)
Papain (*Carica papaya*) (fruit) 7.5 mg (315,000 FCC PU)
Cellulase (*Trichoderma longibrachiatum*) (whole) 3.78 mg (680 FCC CU)
Hemicellulase (*Aspergillus niger*) (whole) 2.34 mg (1,875 FCC HCU)

FCC: Food Chemical Codex, SAP: Spectrophotometric Acid Protease Unit, PC: Protease Unit, HUT: Hemoglobin Unit on the Tyrosine Basis, DU: Dextrinizing Unit, PU: Papain Unit, CU: Cellulase Unit, HCU: Hemicellulase Unit

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 capsule 3 times per day with meals or as directed by a health care practitioner.

IB Care™ Relieves Abdominal Pain and Discomfort Associated with IBS

Code	9228
Size/Form	60 Enteric Coated Softgels
NPN	80052526

Product Overview

- With Peppermint, Oregano and Caraway Oils
- Helps relieve abdominal pain
- Enteric coating improves efficacy and releases in the intestine

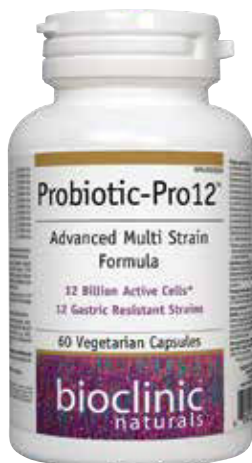

Ingredients

Each Softgel Contains:

Peppermint Oil (<i>Mentha x piperita</i>) (aerial)	100 mg (110 mcl)
(50% Menthol).....	50 mg
Oregano Oil (<i>Thymus capitatus</i>) (aerial) (60% Carvacrol)	70 mg
(60% Phenol)	42 mg
Caraway Oil (<i>Carum carvi</i>) (seed)	30 mg (33.3 mcl)
(50% Carvone).....	15 mg

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water), enteric coating (purified water, ethylcellulose, medium chain triglycerides, oleic acid, sodium alginate, stearic acid).

Recommended Adult Dose: 1 enteric coated softgel, 3 times per day, 15–30 minutes before a meal, or as directed by a health care practitioner. Take a few hours before or after taking supplements containing iron, zinc, calcium or copper. Use in 3-week cycles, with an interruption of at least one week between the cycles.

Probiotic-Pro12™ Advanced Multi Strain Formula · 12 Billion Active Cells*

Code	9456
Size/Form	60 Vegetarian Capsules
NPN	80038284

Product Overview

- Advanced 12 strain blend of probiotics with distinct clinical benefits
- Closely approximates the normal composition of intestinal flora and ensures balance to the entire intestinal tract
- Provides 9 human origin strains, 2 dairy and one vegetable origin strain

Ingredients

Each Capsule Contains:

<i>Lactobacillus casei</i> (HA-108).....	3.00 billion cfu
<i>Lactobacillus rhamnosus</i> (HA-111)	1.44 billion cfu
<i>Bifidobacterium breve</i> (HA-129).....	1.20 billion cfu
<i>Bifidobacterium longum</i> (HA-135)	1.20 billion cfu
<i>Lactobacillus acidophilus</i> (HA-122)	1.20 billion cfu
<i>Lactobacillus plantarum</i> (HA-119)	1.20 billion cfu
<i>Lactobacillus rhamnosus</i> (HA-114)	1.20 billion cfu
<i>Bifidobacterium bifidum</i> (HA-132).....	0.60 billion cfu
<i>Lactobacillus fermentum</i> (HA-179).....	0.60 billion cfu
<i>Lactobacillus salivarius</i> (HA-118)	0.12 billion cfu
<i>Lactobacillus paracasei</i> (HA-196).....	0.12 billion cfu
<i>Bifidobacterium lactis</i> (HA-194)	0.12 billion cfu

cfu: colony forming units

* Guaranteed minimum 12 billion active cells per capsule at expiry date.

Guaranteed minimum 18 billion active cells at manufacturing date

Non-medicinal Ingredients: Maltodextrin, vegetarian capsule (carbohydrate gum [cellulose], purified water), FOS Fructooligosaccharides (naturally occurring complex fructose molecules derived from beets), inulin (chicory), vegetable grade magnesium stearate (lubricant), silica, ascorbic acid.

Recommended Adult Dose: 1–3 capsules per day on a full stomach or as directed by a health care practitioner. Take at least 2–3 hours before or after antibiotics.

Probiotic-Pro BB536® *Bifidobacterium longum* · Hi Potency

Code	9459
Size/Form	60 Vegetarian Capsules
NPN	80024130

Product Overview

- High potency: 10 billion cfu (colony forming units) of *Bifidobacterium longum* BB536 per capsule
- Incredibly shelf stable
- Does not require refrigeration
- BB536 one of the most studied species in the world
- Suitable for vegetarians/vegans

Ingredients

Each Capsule Contains:

Bifidobacterium longum BB536® 10 billion cfu**

**cfu: colony forming units.

*Guaranteed minimum 10 billion active cells per capsule at time of expiry.

Non-medicinal Ingredients: Microcrystalline cellulose, calcium carbonate, vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1–2 capsules, 2–3 times per day, or as directed by a health care practitioner. Take at least 2–3 hours before or after antibiotics.

RestorX® Intestinal Repair Nutritional Drink Mix

Code	9222
Size/Form	450 g Powder
NPN	80050876

Product Overview

- Contains nutrients to support gut barrier integrity and function
- Protects the gastrointestinal tract from oxidative damage and provides support for a healthy intestinal environment
- Targeted nutrients that help support the flow of bile and keep the bowels moving efficiently
- Excellent multivitamin and mineral supplement for those with nutrient malabsorption
- Low allergy potential, gluten free, and low glycemic load and index

Ingredients

Each Scoop (32.4 g) Contains

Vitamins:

Vitamin C (Ascorbic Acid)	75 mg
Pantothenic Acid (Calcium <i>d</i> -Pantothenate).....	25 mg
Vitamin B6 (Pyridoxine Hydrochloride)	25 mg
Vitamin E (<i>d</i> -alpha Tocopheryl Acetate).....	25 IU (16.7 mg AT*)
Vitamin B1 (Thiamine Hydrochloride)	12.5 mg
Vitamin B2 (Riboflavin)	10 mg
Niacinamide	6 mg
Beta-Carotene	4800 IU (2880 mcg)
Folic Acid (Folate)	250 mcg
Vitamin B12 (Cyanocobalamin)	100 mcg
Vitamin D3 (Cholecalciferol)	100 IU (2.5 mcg)

Minerals:

Calcium (Citrate, Sulfate, Dibasic Calcium Phosphate Dihydrate).....	208 mg
Magnesium (Citrate).....	100 mg
Potassium (Citrate)	100 mg
Phosphorus (Dibasic Calcium Phosphate Dihydrate)	44 mg
Zinc (Citrate)	12.5 mg
Chromium (HVP** Chelate)	50 mcg
Iodine (Potassium Iodide)	50 mcg
Selenium (HVP** Chelate).....	50 mcg
Molybdenum (Citrate).....	12.5 mcg

Additional Ingredients:

<i>Bifidobacterium longum subsp. longum</i> BB536 (whole cell)	5 billion cfu***
Organic Sprouted Brown Rice Protein Concentrate (grain).....	16 g
Soy Lecithin (<i>Glycine max</i>) (seed)	1500 mg
L-Glutamine	1000 mg
Fructooligosaccharides (FOS) (<i>Cichorium intybus</i>) (root)	560 mg
L-Lysine Hydrochloride.....	119 mg
Glycine	77 mg
N-Acetyl-L-Cysteine	42 mg
Bromelain (<i>Ananas comosus</i> var. <i>comosus</i>) (stem)	37.5 mg (562,500 FCC PU****)
N-Acetylglucosamine.....	12.5 mg
Quercetin (Dihydrate)	12.5 mg
Milk Thistle Powdered Extract (<i>Silybum marianum</i>) (seed) Standardized to 60% Silymarin	11 mg
Grape Seed Powdered Extract (<i>Vitis vinifera</i>) (seed) Standardized to 80% Oligomeric Proanthocyanidins	11 mg

*AT: Alpha Tocopherol

**HVP: Hydrolyzed Vegetable Protein

***cfu: colony forming units

****FCC: Food Chemical Codex; PU: Papain Unit

Non-medicinal Ingredients: Microcrystalline cellulose, medium chain triglycerides, organic cane sugar, guar gum, natural flavours (apple, banana, blueberry, raspberry, strawberry), Stevia rebaudiana leaf, lemon oil.

Recommended Adult Dose: For Daily Maintenance: Start your day with 1 scoop (32.4 g) mixed as instructed below or as directed by a health care practitioner.

For Intestinal Rejuvenation: 1 scoop (32.4 g) 2 times per day or as directed by a health care practitioner. Take a few hours before or after taking other medications, or as directed by a health care practitioner. Blend, shake or briskly stir 1 scoop (32.4 g) into 250 ml of purified water or freshly pressed juice (vegetable or fruit). Customize your drink mix by blending 1 scoop (32.4 g) with 250 ml of purified water and 1 cup of fresh or frozen organic berries or other fruit. Stir and drink immediately. For prolonged use, consult a health care practitioner.

Synerase™ Systemic Enzyme Formula · Digestive Enzyme

Code	9247
Size/Form	90 Enteric Coated Tablets
NPN	80042607

Product Overview

- Formulated for both anti-inflammatory, antifibrinolytic and immune-modulating activity as well as digestive benefit
- Unique, clinically effective, concentrated enzyme formulation containing pancreatic enzymes, papain, Peptizyme SP, and bromelain
- Enteric coated tablets help protect the enzyme from the acidic environment of the stomach, allowing the high enzyme activity level to reach the small intestine

Ingredients

Each Tablet Contains:

Pancreatic Enzymes 8x (<i>Sus scrofa</i>) (pancreas).....	200 mg (83,200 USP units)
Alpha-Amylase Activity.....	40,000 USP units
Protease Activity.....	40,000 USP units
Lipase Activity.....	3,200 USP units
Papain (<i>Carica papaya</i>) (fruit).....	120 mg (3,600,000 USP PU)
Peptizyme SP™ Serratiapeptidase (<i>Serratia spp.</i>) (whole cell).....	52 mg (10,400 SU)
Bromelain (<i>Ananas comosus</i> var. <i>comosus</i>) (stem).....	50 mg (640,000 FCC PU)

USP (United States Pharmacopoeia), FCC (Food Chemical Codex), PU (Papain Unit), SU (Serratiapeptidase Unit)

Non-medicinal Ingredients: Microcrystalline cellulose, purified water, enteric coating (purified water, ethylcellulose, medium chain triglycerides, oleic acid, carbohydrate gum [cellulose], glycerin, sodium alginate, stearic acid), croscarmellose sodium, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1–2 tablets 2 or 3 times per day on an empty stomach. Swallow whole (do not chew/crush). Consult a health care practitioner for use beyond 4 weeks. Synerase can also be used for digestive support – take the same dose but with meals or as directed by a health care practitioner.

Inspir-Action™ Helps Relieve Symptoms of Chronic Bronchitis

Code	9604
Size/Form	60 Tablets
NPN	80040826

Product Overview

- Provides mucolytic, demulcent and antitussive action
- Provides relief of cough, bronchitis, sinusitis, congestion and other respiratory conditions
- Unique respiratory combination of botanicals and nutrients designed to reduce symptoms and restore function
- Clinically relevant dosages
- Increases glutathione levels, a key antioxidant in lung tissues

Ingredients

Each Tablet Contains:

N-acetyl-L-cysteine	200 mg
Bromelain (<i>Ananas comosus</i> var. <i>comosus</i>) (stem)	100 mg (1 500 000 FCC PU*)
Marshmallow Extract 4:1 (<i>Althaea officinalis</i>) (root)	100 mg
Mullein Extract 4:1 (<i>Verbascum thapsus</i>) (leaf)	100 mg
Wild Cherry Extract 4:1 (<i>Prunus serotina</i>) (bark)	100 mg
Horehound Extract 4:1 (<i>Marrubium vulgare</i>) (herb)	50 mg
Ivy Extract (<i>Hedera helix</i>) (leaf) 10% Hederacoside	50 mg

*FCC: Food Chemical Codex, PU: Papain Unit

Non-medicinal Ingredients: Microcrystalline cellulose, croscarmellose sodium, coating (carbohydrate gum [cellulose], glycerin), vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 tablet 3 times per day with food providing protein or as directed by a health care practitioner. Take 2 hours before or after taking other medications. For prolonged use consult a health care practitioner.

Berberine HCl Maintains Healthy Glucose Metabolism

Code	9231
Size/Form	90 Vegetarian Capsules
NPN	80062118

Product Overview

- Hypoglycemic effects via multiple mechanisms, including enhancement of insulin sensitivity
- Favourable effects on blood lipids, including a reduction in triglycerides, and both total and LDL cholesterol
- Activates Nrf-2, a key regulator of antioxidant gene transcription and prevention of glucose-induced neurotoxicity
- Provides 500 mg berberine HCl per capsule, the dosing strength used in clinical trials for glucose and lipid control
- Extracted from *Berberis vulgaris* (European barberry)
- Vegetarian capsule

Ingredients

Each Capsule Contains:

Berberine (Hydrochloride) (*Berberis vulgaris*) (root) 500 mg

Non-medicinal Ingredients: Vegetarian capsule (cellulose, purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica, stearic acid.

Recommended Adult Dose: 1 capsule 2 times per day with meals or as directed by a health care practitioner. Consult a health care practitioner for use beyond 3 months.

PGX® Daily Granules 100% Soluble Fibre • Mix into Water or Juice

Code	9205
Size/Form	150 g Granules
NPN	80021422

Product Overview

- High viscosity fibre complex
- Regulates after meal blood glucose levels
- Increases insulin sensitivity for less fat storage
- Sprinkle onto any moist food, low calorie beverage or meal replacement
- Unflavoured
- Suitable for vegetarians/vegans

Ingredients

Each Level Scoop (5 grams) Contains:

PGX® (PolyGlycopleX®) (*Amorphophallus konjac*, Sodium Alginate, Xanthan Gum)..... 5 g
Highly Purified Fibre Complex Manufactured Using the Proprietary EnviroSimplex® Process.

Recommended Adult Dose: Stir 1 level scoop (5 g) 2–3 times per day into 375–500 ml of cold water or juice. Drink additional water (375–500 ml) after ingesting PGX. Begin with ½ a scoop and gradually increase over several days as tolerated. Up to 1 scoop 3 times per day may be required in some cases, or take as directed by a health care practitioner. Use consistently with or without meals or with healthy snacks to obtain the desired results.

PGX® Daily Ultra Matrix Softgels
Promotes Healthy Blood Sugar Levels

Code	9200
Size/Form	180 Softgels
NPN	80021409

Product Overview

- Clinically studied and proven polysaccharide complex
- Medium chain triglycerides (MCTs) help increase metabolism and may help improve blood-glucose-related disorders such as diabetes
- Proven safe; without the side effects of prescription or over-the-counter medications

Ingredients

Each Softgel Contains:

PGX® (PolyGlycopleX®) 750 mg
Highly purified water soluble polysaccharide complex manufactured using the proprietary EnviroSimplex® process: Konjac-mannan (*Amorphophallus konjac*) (root), xanthan gum, sodium alginate.

Non-medicinal Ingredients: Medium chain triglycerides, softgel (gelatin, glycerin, purified water, carob, annatto, titanium dioxide), yellow beeswax, non-GMO sunflower lecithin.

Recommended Adult Dose: PGX Daily® softgels can be taken with or without food with a glass of water (250–500 ml) or as directed by a health care practitioner.

Week 1: 1–2 softgels 3 times daily

Week 2: 2–4 softgels 3 times daily

Week 3 and beyond: 3–6 softgels 3 times daily

Copper.....	0.50 mg
Zinc.....	70%
Manganese.....	1.0 mg
Selenium.....	0.020 mg
Chromium.....	0.020 mg
Molybdenum.....	0.025 mg

Ingredients: Whey protein concentrate and isolate (milk) (microfiltered, undenatured), organic cane sugar, xylitol, PGX® (PolyGlycopleX®) (konjac-mannan [*Amorphophallus konjac*] [root], sodium alginate, xanthan gum), soy lecithin, natural chocolate flavour, medium chain triglycerides (coconut), dicalcium phosphate dihydrate, potassium citrate, magnesium citrate, sodium chloride, calcium citrate, ascorbic acid, zinc citrate, niacinamide, biotin, ferrous fumarate, beta carotene, *d*-alpha tocopheryl acetate, copper chelate, molybdenum citrate, selenium chelate, manganese citrate, calcium *d*-pantothenate, folic acid, thiamine hydrochloride, pyridoxine hydrochloride, riboflavin, cyanocobalamin, potassium iodide, chromium chelate, ergocalciferol.

Key Ingredients

Whey Protein Concentrate and Isolate (Microfiltered, Undenatured).....	32 g
PGX® (PolyGlycopleX®).....	5 g
Highly Purified Fibre Complex Manufactured Using the Proprietary EnviroSimplex® Process:	
Konjac-mannan (<i>Amorphophallus konjac</i>) (root), sodium alginate, xanthan gum	
Soy Lecithin.....	4.1 g
Medium Chain Triglycerides.....	2.3 g

Recommended Adult Dose: To make a delicious and satisfying meal replacement smoothie, blend, shake or briskly stir 2 scoops (67 g) of PGX Weight Loss Meal Replacement into 350–500 ml of water 1–2 times per day or as directed by a health care practitioner. Drink additional water (350–500 ml) following the smoothie. When first taking PGX Weight Loss Meal Replacement, begin with 1 scoop (33.5 g) in a glass of water (175–350 ml) and gradually increase to 2 scoops (67 g) as directed above.

Folate
B12
Easy Dosing

5-MTHF & B12 Biologically Active Folic acid with *BioPlant Extracts™

Code	9426
Size/Form	60 Sublingual Tablets
NPN	80072239

Product Overview

- Provides clinically effective dose of the most active and bioavailable form of folate, which bypasses a common bottleneck (MTHFR) in the conversion of folate to its active form
- Each sublingual tablet also provides 50 mcg methylcobalamin, the primary circulating and biologically active form of vitamin B12
- Sublingual tablets are suitable for vegetarians, and allow for easy dosing
- In a base of active plant extracts, including many organic vegetables, and other bioactive plant compounds, including Theracurmin® curcumin

Ingredients

Each Sublingual Tablet Contains:

Folate (from (6S)-5-Methyltetrahydrofolic Acid (MTHF), Glucosamine Salt, Quatrefolic®)..... 1000 mcg
Vitamin B12 (Methylcobalamin)..... 50 mcg

Non-medicinal Ingredients: Lactose, microcrystalline cellulose, croscarmellose sodium, *BioPlant Extracts™, vegetable grade magnesium stearate (lubricant).

*Organic kale, organic alfalfa, organic cilantro leaf, organic parsley, caperberry, sprouted garlic, organic artichoke, organic black radish, organic dandelion, barley grass, pepper, organic celery seed, organic beetroot, organic tomato, wasabi rhizome (Wasabia japonica), sprouted broccoli, organic upland cress, daikon, red radish, organic cauliflower, organic cabbage, organic arugula, organic watercress leaf, grape, pomegranate, strawberry, organic blueberry, raspberry, bilberry, organic Indian gooseberry, schizandra berry, red orange, organic açai berry, Theracurmin® curcumin, organic decaffeinated green tea extract, organic ginger rhizome, organic echinacea, organic oregano, organic peppermint, organic spearmint, organic spirulina, organic chlorella, red algae, blue green algae, kelp.

Recommended Adult Dose: 1 tablet per day or as directed by a health care practitioner. Dissolve under the tongue.

Active B Complex Biologically Active with Quatrefolic® Folate

Code	9424
Size/Form	60 Vegetarian Capsules
NPN	80065324

Product Overview

- Provides the natural and most bioactive form of folate, Quatrefolic folate ((6S)-5MTHF), with no synthetic or racemic components
- Quatrefolic folate supplementation has greater increase in plasma folate compared to folic acid and calcium 5-MTHFR
- Contains most bioactive and bioavailable forms of each B vitamin, including methylcobalamin (B12), riboflavin 5'-phosphate (B2), and pyridoxal 5'-phosphate (B6)
- Broad spectrum B complex, with inositol, biotin, and choline
- Suitable for vegetarians and vegans

Ingredients

Each Vegetarian Capsule Contains:

Vitamin B1 (Thiamine Hydrochloride, Benfotiamine).....	31.69 mg
Vitamin B2 (Riboflavin 5'-Phosphate Sodium)	10 mg
Niacin (Inositol Hexanicotinate)	100 mg
Pantothenic Acid (Calcium d-Pantothenate).....	100 mg
Vitamin B6 (Pyridoxal 5'-Phosphate).....	25 mg
Vitamin B12 (Methylcobalamin).....	500 mcg
Folate (from (6S)-5-Methyltetrahydrofolic Acid (MTHF), Glucosamine Salt, Quatrefolic®).....	400 mcg
Biotin.....	250 mcg
Choline (Citrate).....	50 mg
Inositol (Inositol, Inositol Hexanicotinate)	50 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica, organic kale, organic alfalfa, organic cilantro leaf, organic parsley, caperberry, sprouted garlic, organic artichoke, organic black radish, organic dandelion, barley grass, pepper, organic celery seed, organic beetroot, organic tomato, wasabi rhizome, fresh freeze-dried sprouted broccoli, organic upland cress, daikon, red radish, organic cauliflower, organic cabbage, organic arugula, organic watercress leaf, grape, pomegranate, strawberry, organic cranberry, organic blueberry, raspberry, bilberry, organic Indian gooseberry, schizandra berry, red orange, organic acai berry, Theracurmin® curcumin, organic decaffeinated green tea extract, organic ginger rhizome, organic echinacea, organic oregano, organic peppermint, organic spearmint, organic spirulina, organic chlorella, red algae, blue green algae, kelp.

Recommended Adult Dose: 1 capsule per day with food or as directed by a health care practitioner.

B12 Methylcobalamin Biologically Active Form of B12 • 1000 mcg

Code	9420
Size/Form	60 Sublingual Tablets
NPN	80026765

Product Overview

- Superior to the more common form cyanocobalamin, to correct some forms of anemia, neurological defects and aging
- Methylcobalamin is the active form for maximum benefit
- Fast acting delivery system directly into blood stream
- Lowers homocystein levels for protective cardiovascular benefits

Ingredients

Each Tablet Contains:

Vitamin B12 (Methylcobalamin).....1000 mcg

Non-medicinal Ingredients: Lactose, microcrystalline cellulose, croscarmellose sodium, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 tablet per day or as directed by a health care practitioner. Dissolve under the tongue. Keep out of reach of children.

Benefits

Heart Health

Cognitive Function

B12 Methylcobalamin Biologically Active Form of B12 • 5000 mcg

Code	9422
Size/Form	60 Sublingual Tablets
NPN	80041191

Product Overview

- Superior to cyanocobalamin, to correct some forms of anemia, neurological defects, and aging
- Methylcobalamin is the active form for maximum benefit
- Fast acting delivery system directly into blood stream
- Lowers homocystein levels for protective cardiovascular benefits
- Suitable for vegetarians

Ingredients

Each Tablet Contains:

Vitamin B12 (Methylcobalamin).....5000 mcg

Non-medicinal Ingredients: Lactose monohydrate, microcrystalline cellulose, croscarmellose sodium, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 tablet per day or as directed by a health care practitioner. Dissolve under the tongue. Consult a health care practitioner for use beyond 4 months.

Magnesium Bisglycinate

Maintains Proper Muscle Function • 200 mg

Code	9500
Size/Form	120 g Powder
NPN	80090179

Product Overview

- Magnesium bisglycinate form is more easily absorbed than salt forms such as magnesium oxide
- Bisglycinate chelated form is less likely to cause laxative effects than salt forms
- Powder form allows for easy and convenient dosing away from food
- Non-GMO and suitable for vegetarians/vegans
- Sugar free with pleasant taste from citric acid

Ingredients

Each Serving (2.4 g) Contains:

Magnesium (bisglycinate)..... 200 mg

Non-medicinal Ingredient: Citric acid.

Recommended Adult Dose: 1 serving (2.4 g) per day or as directed by a health care practitioner.
Mix well in 250 mL of water until fully dissolved.

Benefits

Dietary Deficiency
Kidney Stones
Muscle Cramps

Magnesium CitraMal™ Fully Reacted

Magnesium Citrate/Malate Complex

Code	9486
Size/Form	90 Vegetarian Capsules
NPN	80026324

Product Overview

- Superior bioavailability to other forms of magnesium, increasing clinical effectiveness
- Citrate-malate complexes increase mineral absorption, particularly among individuals with reduced gastric acid secretion
- Malic acid supplies an important substrate in the citric acid cycle, contributing to improved energy metabolism

Ingredients

Each Capsule Contains:

Magnesium (citrate, malate)..... 150 mg
Sourced from 750 mg of magnesium complex yielding 150 mg elemental magnesium.

Non-medicinal Ingredients: Malic acid, vegetarian capsule (carbohydrate gum [cellulose], purified water, titanium dioxide), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 3 capsules per day or as directed by a health care practitioner.

PreFoundation™ Prenatal Multiple Vitamin & Mineral Formula

Code	9475
Size/Form	90 Vegetarian Capsules
NPN	80067595

Product Overview

- Provides highly bioavailable forms and clinical doses of vitamins and minerals critical for optimal prenatal health
- Contains vitamin D3, K2 (menaquinone-7), and folate as L-5-MTHF – key prenatal vitamins shown to be superior to forms typically used in prenatal formulas
- Supplies citrate forms of key minerals, including magnesium, calcium, zinc, and copper, 5'phosphate forms of riboflavin and vitamin B6, and iron bisglycinate
- Suitable for vegetarians

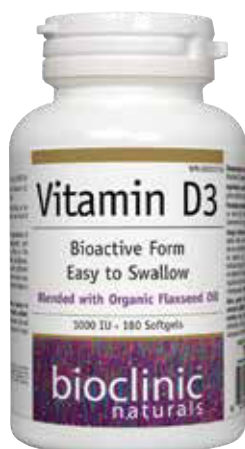

Ingredients

Each Vegetarian Capsule Contains:

Beta-Carotene.....	831.67 IU (499 mcg)
Vitamin B1 (Thiamine Hydrochloride)	1.6 mg
Vitamin B2 (Riboflavin-5'-Phosphate Sodium)	1.6 mg
Vitamin B3 (Niacinamide)	10 mg
Vitamin B5 (Pantothenic Acid / Calcium d-Pantothenate).....	6.1 mg
Vitamin B6 (Pyridoxal 5'-Phosphate).....	5 mg
Biotin.....	16.6 mcg
Folate (L-5-Methyltetrahydrofolate, Calcium Salt)	333.33 mcg
Vitamin B12 (Methylcobalamin).....	333.33 mcg
Choline (Dihydrogen Citrate).....	25 mg
Vitamin C (Ascorbic Acid)	50 mg
Vitamin D3 (Cholecalciferol)	333 IU (8.325 mcg)
Vitamin E (d-alpha Tocopheryl Acid Succinate).....	16.6 IU (11.12 mg AT)
Vitamin K2 (Menaquinone) (MK-7) (Natto Bean)	20 mcg
Calcium (Malate, Citrate).....	66.6 mg
Chromium (Citrate).....	33.3 mcg
Copper (Citrate)	600 mcg
Iodine (Potassium Iodide)	50 mcg
Iron (Bisglycinate).....	15 mg
Magnesium (Citrate).....	33.3 mg
Manganese (Citrate)	1.6 mg
Molybdenum (Citrate).....	16.6 mcg
Selenium (Selenomethionine)	16.6 mcg
Zinc (Citrate)	8.3 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant), silica, microcrystalline cellulose.

Recommended Adult Dose: 1 capsule 3 times per day with food or as directed by a health care practitioner. Take a few hours before or after taking other medications or natural health products, or as directed by a health care practitioner.

Vitamin D3 Bioactive Form · Easy to Swallow · 1000 IU

Code	9431
Size/Form	180 Softgels
NPN	80021510

Product Overview

- In a base of organic flaxseed oil and medium chain triglycerides for improved intestinal absorption
- Vitamin D3 (cholecalciferol) likely more effective at restoring blood levels than D2 form (ergocalciferol)
- Easy to swallow and highly bioavailable softgel
- 1000 IU vitamin D per softgel allows for easy daily dosing

Ingredients

Each Softgel Contains:

Vitamin D3 (Cholecalciferol)25 mcg (1,000 IU)

Non-medicinal Ingredients: Organic flaxseed oil, softgel capsule (gelatin, glycerin, purified water).

Recommended Adult Dose: 1 softgel daily or as directed by a health care practitioner.
Keep out of reach of children.

Vitamin D3 & K2 1000 IU D3 • 120 mcg K2

Code	9313
Size/Form	60 Softgels
NPN	80039778

Product Overview

- Clinically effective doses of vitamins D and K per softgel
- Vitamin D3 increases serum and storage levels of vitamin D
- Uses K2 Menaquinone-7 (MK-7), the optimal form
- MK-7 has the longest half-life and best extra-hepatic distribution of all forms
- D3 and MK-7 in combination has a synergistic benefit

Ingredients

Each Softgel Contains:

Vitamin K2 (Menaquinone) (MK-7) (Natto Bean) 120 mcg
Vitamin D3 (Cholecalciferol) 1000 IU (25 mcg)

Non-medicinal Ingredients: Medium chain triglycerides, softgel (gelatin, glycerin, purified water, caramel, titanium dioxide), yellow beeswax, non-GMO sunflower lecithin.

Recommended Adult Dose: 1 softgel per day or as directed by a health care practitioner.

Benefits

Bone Health
Diabetes
Heart Health
Universal Cell Function

Vitamin K2 Maintains Bone Health

Code	9316
Size/Form	90 Vegetarian Capsules
NPN	80040433

Product Overview

- 100 mcg
- Extracted from natto beans
- Provides vitamin K2 as Menaquinone-7 (MK-7)
- MK-7 has the greatest half-life of all forms of vitamin K
- Provides extra-hepatic distribution
- Suitable for vegetarians/vegans

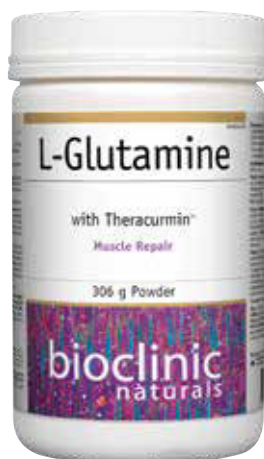

Ingredients

Each Capsule Contains:

Vitamin K2 (Menaquinone-7) (MK-7) (Natto Bean) 100 mcg

Non-medicinal Ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water), vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 capsule per day or as directed by a health care practitioner.

Benefits

Muscle Repair

L-Glutamine with Theracurmin™

Muscle Repair

Code	9252
Size/Form	306 g powder
NPN	80065236

Product Overview

- Provides 5 g L-glutamine and 30 mg Theracurmin per serving
- Targets multiple pathways of inflammation, improves muscle repair and recovery following exercise
- Provides immune and digestive system support
- Powder formulation allows for flexible and convenient dosing
- Suitable for vegetarians/vegans

Ingredients

Each Serving (5.2 g) Contains:

Micronized L-Glutamine 5 g
Theracurmin™ Curcumin* from Turmeric (*Curcuma longa*) (rhizome) 30 mg

*A highly bioavailable form of curcumin – the most active curcuminoid in turmeric

Non-medicinal Ingredients: Maltose, gum ghatti, dextrin, citric acid.

Recommended Adult Dose: Take 1 serving (5.2 g) per day or as directed by a health care practitioner. Mix product well in 375–500 ml of liquid (water, juice, etc.) immediately before consumption.

Note: The product is a brilliant yellow colour due to the turmeric.

Vitamin K2, D3 and A Helps Develop and Maintain Healthy Bones

Code	9317
Size/Form	30 ml
NPN	80047935

Product Overview

- Potent physiological balance of key fat-soluble vitamins, A, D, and K, critical to bone health
- Contains vitamin K2 (MK-7), the most bioactive and long-lasting form
- Provides vitamin D3, shown to be more effective than D2 in maintaining blood levels of 25-OH vitamin D
- Optimal form of vitamin A, palmitate, bypasses impaired conversion of carotenoids
- Suitable for vegetarians

Ingredients

Each Serving (0.25 ml) Contains:

Vitamin A (Palmitate) 500 IU (151 mcg RAE)
Vitamin D3 (Cholecalciferol) 1000 IU (25 mcg)
Vitamin K2 (Menaquinone) (MK-7) (Natto Bean) 50 mcg

Non-medicinal Ingredients: Medium chain triglycerides, organic flaxseed oil, natural source vitamin E (non-GMO sunflower oil), natural flavour.

Recommended Adult Dose: 1 serving (4 drops [0.25 ml]) per day or as directed by health care practitioner

Dolor Ease™ Supports Joint Health & Comfort with Theracurmin® and InflammRelief™ Complex

Code	9253
Size/Form	120 Vegetarian Capsules
NPN	80054434

Product Overview

- Comprehensive formula features white willow extract (*Salix alba*) (bark), devil's claw, Theracurmin curcumin extract, and Boswellia extract (*Boswellia serrata*)
- Used in herbal medicine for short-term relief of low back pain
- Traditionally used for the relief of minor joint pain caused by osteoarthritis
- Contains 30 mg of Theracurmin, the most bioavailable form of curcumin, providing natural antioxidant and anti-inflammatory support
- Features InflammRelief, a natural source of antioxidants to protect joint tissues

Ingredients

Each Vegetarian Capsule Contains:

White Willow Extract (*Salix alba*) (bark) (15% salicin)..... 200 mg
Devil's Claw 1.8:1 Extract (*Harpagophytum procumbens*) (secondary root tuber) 200 mg
Theracurmin® Curcumin* Extract from Turmeric (*Curcuma longa*) (rhizome) 30 mg

*A highly bioavailable form of curcumin – the most active curcuminoid in turmeric

Boswellia Extract (*Boswellia serrata*) (gum oleoresin) (60% boswellic acids) 75 mg

InflammRelief™ Complex:

Grape (*Vitis vinifera*), Pomegranate (*Punica granatum*), Strawberry (*Fragaria vesca*),
Cranberry (*Vaccinium macrocarpon*), Blueberry (*Vaccinium corymbosum*),
Raspberry (*Rubus idaeus*), Bilberry (*Vaccinium myrtillus*) (standardized to 76% polyphenols)..... 50 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, croscarmellose sodium, vegetable grade magnesium stearate (lubricant), silica.

Recommended Adult Dose: 1–2 capsules 2 times per day or as directed by a health care practitioner. Use for a minimum of 2–3 months to see beneficial effects. For prolonged use, consult a health care practitioner.

Theracurmin™ Pro-60 Helps Relieve Inflammation · Highly Bioavailable

Code	9248
Size/Form	60 Vegetarian Capsules
NPN	80045839

Product Overview

- 60 mg of Curcumin
- Advanced manufacturing techniques increase free curcumin blood levels
- Synergistic anti-inflammatory benefit when used with EPA/DHA
- Curcumin modulates an impressive number of molecular targets – enhanced absorption allows for significantly greater potency and therapeutic effect
- Naturally emulsified curcumin nanoparticles have significantly increased bioavailability
- Suitable for vegetarians/vegans

Ingredients

Each Capsule Contains:

Theracurmin™ Curcumin* from Turmeric (*Curcuma longa*) (rhizome) 60 mg

*A highly bioavailable form of curcumin – the most active curcuminoid in turmeric

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, silica, croscarmellose sodium, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1 capsule per day or as directed by a health care practitioner.

5-HTP 5-Hydroxytryptophan • 100 mg Healthy Mood Balance

Code	9289
Size/Form	60 Time-Release Caplets
NPN	80095817

Product Overview

- Extra-strength 100 mg formula for ease of dosing
- Naturally sourced from the seed of the African plant *Griffonia simplicifolia*
- 5-HTP readily crosses the blood-brain barrier to increase central nervous system synthesis of serotonin
- Timed-release formulation may minimize gastric discomfort and helps prevent the rapid spikes and drops associated with immediate-release 5-HTP

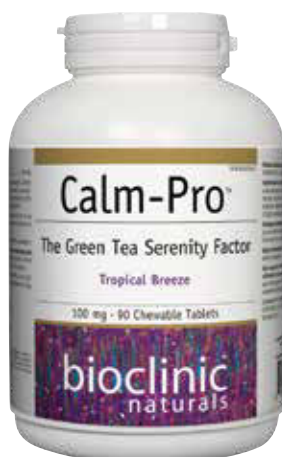

Ingredients

Each Caplet Contains:

L-5-Hydroxytryptophan (*Griffonia simplicifolia*) (seed)..... 100 mg

Non-medicinal Ingredients: Dicalcium phosphate, microcrystalline cellulose, carbohydrate gum, coating (carbohydrate gum, glycerin), vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: Healthy Mood Balance: 1 caplet 3 times per day with food or as directed by a health care practitioner. To minimize the risk of gastrointestinal side effects, start dosing at 100 mg 2–3 times per day and slowly increase to effective dose over a period of 2 weeks. Use for at least 1 week to see beneficial effects. Consult a health care practitioner for use beyond 1 year. **Sleep Aid:** 1 caplet 1–2 times per day with food or as directed by health care practitioner. Take 30–45 minutes before bedtime.

GABA-Pro® Fast Acting Calming Effect 100% Natural GABA

Code	9283
Size/Form	90 Chewable Tablets
NPN	80052082

Product Overview

- Fast acting due to its natural form, effects can be felt in as little as five minutes and can last from four to six hours
- GABA-Pro uses PharmaGABA®, a naturally sourced form superior to synthetic GABA
- Complements other antistress supplements, improving calmness and relaxation while coping with daily stress and reduces the negative effects of caffeine consumption
- Gentle and non-addictive with virtually no side effects
- Suitable for vegetarians/vegans

Ingredients

Each Tablet Contains:

Gamma-Aminobutyric Acid (GABA)	100 mg
(from 129 mg Pharma GABA™ 80 Complex)	

Non-medicinal Ingredients: Xylitol, stearic acid, hydroxypropylcellulose, silica, natural tropical fruit flavour (banana, pomegranate, pineapple, mango, passionfruit, orange, tangerine, mandarin), citric acid, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: Chew 1–2 tablets 3 times per day or as directed by a health care practitioner. Consult a health care practitioner for use beyond 4 weeks.

Melatonin Time Release · 5 mg

Code	9290
Size/Form	60 Tablets
NPN	80068454

Product Overview

- 5 mg time released melatonin per tablet
- Clinically shown to improve sleep quality, morning alertness, sleep onset latency and quality of life, with no adverse effects of dependency
- Supplementation linked to improved mood and cognitive function among those with impaired sleep
- Time release formulation sustains plasma levels for a longer period, enhancing sleep initiation, maintenance, and quality
- Suitable for vegetarians/vegans

Ingredients

Each Tablet Contains:

Melatonin (Non-Animal Source) 5 mg

Non-medicinal Ingredients: Dibasic calcium phosphate dihydrate, microcrystalline cellulose, carbohydrate gum [cellulose], vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 1–2 tablets per day at or before bedtime, or as directed by a health care practitioner. Do not drive or use machinery for 5 hours after taking melatonin. For use beyond 4 weeks, consult a health care practitioner. Jet Lag: Take once a day at bedtime after darkness has fallen, while travelling, and at destination until adaptation to the new daily pattern. For occasional short-term use.

Mitochondrial Formula Increases Cellular Energy (ATP) Production

Code	9272
Size/Form	72 g Powder
NPN	80091247

Product Overview

- Provides a high dose of clinically relevant amounts of key nutrients, including 300 mg of CoQ10 and 1500 mg of Acetyl-L-carnitine
- Contains a combination of ancient peat and apple extracts shown to increase ATP levels without increasing reactive oxygen species
- Antioxidant protection from superoxide dismutase and Opitac™ L-glutathione provides redox balance within the cell
- Stimulant-free
- Suitable for vegetarians, with easy dosing and natural watermelon flavour

Ingredients

Each Capsule Contains:

Acetyl-L-carnitine (N-acetyl L-carnitine hydrochloride)	1500 mg
Coenzyme Q10 (microorganism).....	300 mg
ElevATP™	150 mg
Ancient Peat Extract	148.5 mg
Apple Extract 85:1 (<i>Malus domestica</i>) (fruit).....	1.5 mg
Opitac™ L-glutathione	100 mg
<i>Cucumis melo</i> subsp. <i>mel</i> var. <i>cantalupo</i> (fruit)	2 mg
Superoxide Dismutase (from 10 mg Extramel®).....	140 IU

Non-medicinal Ingredients: Shellac gum, natural watermelon flavour, purified stevia leaf extract.

Recommended Adult Dose: 1 heaping scoop (2.4 g) per day dissolved in 250 ml of water or as directed by a health care practitioner. Take with food. Ensure you drink enough fluid before, during, and after exercise. Use a minimum of 4 weeks to see beneficial effects.

Phosphatidylserine Supports Cognitive Function · Soy Free · Non-GMO

Code	9273
Size/Form	60 Softgels
NPN	80044225

Product Overview

- 100 mg
- Non-GMO, 100% soy free, and animal-free source
- Made from sunflower oil
- Contains naturally occurring phosphatidylcholine (PC), phosphatidylinositol (PI), and phosphatidylethanolamine
- Superior bioavailability

Ingredients

Each Softgel Contains:

Phosphatidylserine (*Helianthus annuus*) (seed) 100 mg
(From 565 mg non-GMO sunflower lecithin complex)

Also contains naturally occurring phosphatidylcholine (PC), phosphatidylinositol (PI), and phosphatidylethanolamine (PE).

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water), non-GMO sunflower oil.

Recommended Adult Dose: 1 softgel 3 times per day or as directed by a health care practitioner.

SAME Relieves Osteoarthritic Pain Promotes Healthy Mood Balance

Code	9246
Size/Form	30 Enteric Coated Tablets
NPN	80040088

Product Overview

- 200 mg
- Key factor in several key biological pathways, including methylation reactions, glutathione formation and glutathione-s-transferase activity
- Isoactive SAME uses a natural fermentation process that yields 40% higher active ingredients over synthetic variations
- Enteric coating for significantly improved intestinal absorption
- Suitable for vegetarians/vegans

Ingredients

Each Tablet Contains:

S-Adenosyl-L-Methionine (SAME)..... 200 mg

Non-medicinal Ingredients: Microcrystalline cellulose, mannitol, enteric coating (methacrylic acid copolymer, talc, triethyl citrate, glyceryl palmitostearate, silica, titanium dioxide, medium chain triglycerides, yellow iron oxide), glyceryl behenate, vegetable grade magnesium stearate (lubricant), silica, sodium starch glycolate.

Recommended Adult Dose: SAME should always be taken on an empty stomach.

For mood balance: 1–4 tablets 2 times per day or as directed by a health care practitioner.

For osteoarthritic pain: 1–3 tablets 2 times per day or as directed by a health care practitioner.

Do not exceed a total of 8 tablets per day. SAME must be taken for a minimum of 2 weeks, at which time effects should be observed.

Folic Acid (Folate)	0.2 mg
Vitamin B6 (Pyridoxine Hydrochloride)	25 mg
Vitamin B12 (Cyanocobalamin)	50 mcg
Vitamin C (Ascorbic Acid)	150 mg
Minerals:	
Calcium (Citrate, Sulfate, Dicalcium Phosphate Dihydrate)	273 mg
Phosphorus (Dicalcium Phosphate Dihydrate)	37 mg
Magnesium (Citrate)	100 mg
Zinc (Citrate)	10 mg
Selenium (HVP* Chelate)	40 mcg
Chromium (HVP* Chelate)	75 mcg
Molybdenum (Citrate)	10 mcg
Potassium (Citrate)	150 mg
Iodine (Potassium Iodide)	0.015 mg
* HVP: Hydrolyzed Vegetable Protein	
Additional Ingredients:	
Organic Sprouted Brown Rice Protein (<i>Oryza sativa</i>) (grain)	20 g
Soy Lecithin (<i>Glycine max</i>) (bean)	1000 mg
L-Glutamine	500 mg
L-Glycine	500 mg
Sodium Alginate (Extracted from <i>Laminaria japonica</i>)	400 mg
L-Methionine	250 mg
Chlorella Powder (<i>Chlorella pyrenoidosa</i>)	250 mg
L-Lysine Hydrochloride	165 mg
N-Acetyl-L-Cysteine	150 mg
Methylsulfonylmethane (MSM)	100 mg
Apple Pectin (<i>Malus domestica</i>) (fruit)	100 mg
Taurine 60 mg	
Alpha-Lipoic Acid	50 mg
Sodium Copper Chlorophyllin	50 mg
Milk Thistle Powdered Extract (<i>Silybum marianum</i>) (seed)	50 mg
Standardized to 60% Silymarin	
Broccoli Powder (<i>Brassica oleracea</i>) (sprout)	50 mg
Green Tea Powdered Extract (<i>Camellia sinensis</i>) (leaf)	50 mg
Standardized to 45% EGCG	
Bromelain (<i>Ananas comosus</i>) (stem) (1000 GD U/g)	45.5 mg
Calcium D-Glucarate	25 mg

Non-medicinal Ingredients: Organic cane sugar, medium chain triglycerides, microcrystalline cellulose, guar gum, natural flavours (black cherry, lemon, lime), gum arabic, stevia.

BioLivX® Capsules

Each Capsule Contains:

Sodium	200 mg
Licorice Powdered Extract (<i>Glycyrrhiza glabra</i>) (root)	80 mg
Glycyrrhizin (12%)	9.5 mg
Alpha-Lipoic Acid	50 mg
Silybin Phytosome®	50 mg
Contains Silybin (from <i>Silybum marianum</i>)	
Bound to Phosphatidylcholine (from Soy Lecithin)	
Schisandra Powdered Extract (<i>Schisandra chinensis</i>) (berry)	50 mg
Schisandrins (2%)	1 mg
Turmeric Powdered Extract (<i>Curcuma longa</i>) (rhizome)	26 mg
Standardized to 95% Curcuminoids (Providing 25 mg Curcumin, Demethoxycurcumin and Bisdemethoxycurcumin)	
Panax Ginseng Phytosome®	25 mg
Contains Panax Ginseng Bound to Phosphatidylcholine (from Soy Lecithin)	

Non-medicinal Ingredients: Microcrystalline cellulose, vegetarian capsule (carbohydrate gum [cellulose], purified water, silica), silica, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose:

Step 1 (Days 1–4): Take 1 scoop (32.4 g) of RestorX Intestinal Repair Nutritional Drink Mix 2 times per day in water or follow mixing instructions. Step 1 supports gut barrier integrity and function and prepares the body for healthy detoxification.

Step 2 (Days 5–7): Take 2 scoops (40 g) of DetoxiCleanse Detoxification Nutritional Drink Mix 3 times per day in water or follow mixing instructions. Step 2 nutritionally supports healthy detoxification.

All 7 Days: Take 1 packet of the enclosed BioLivX and Colon Support supplements each day at noon. The packets provide additional support for liver and colon function. Include a liberal diet of raw and/or steamed vegetables and fresh fruit. Drink a minimum of 8 glasses of purified water or herbal teas daily.

Mito Motile® Male Wellness Kit

Code 9811

Size/Form Kit/60 packets

NPN 80093064

Product Overview

- Comprehensive blend of antioxidants and nutrients to support mitochondrial function in sperm, shown to optimize sperm maturation, count, and motility
- Provides the most bioavailable forms of nutrients, including pyridoxal 5'-phosphate, vitamin D3, methylcobalamin, and L-5-methyltetrahydrofolate
- Provides clinically relevant doses of nutrients for male fertility
- Supports glutathione production, essential for detoxification of many toxins frequently associated with impaired fertility
- Decreases oxidative stress, which is closely linked to male infertility

Ingredients

L-Carnitine

Each Capsule Contains:

L-Carnitine (Tartrate) 500 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), silica, microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Resveratrol with Grape Seed Extract

Each Capsule Contains:

Japanese Knotweed Extract (*Fallopia japonica*) (root) (20% Trans-Resveratrol) 200 mg

Grape Seed Extract (*Vitis vinifera*) (seed) (80% Oligomeric Proanthocyanidins) 25 mg

Non-medicinal Ingredients: Gelatin capsule (gelatin, purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica.

Vitamin E 400 with Selenium

Each Tablet Contains:

Vitamin E (d-Alpha Tocopheryl Acid Succinate) 400 IU (268 mg AT*)

Selenium (Yeast) 100 mcg

Vitamin C (Ascorbic Acid) 100 mg

Manganese (Gluconate) 10 mg

*Alpha Tocopherol

Non-medicinal Ingredients: Dibasic calcium phosphate dihydrate, microcrystalline cellulose, silica, croscarmellose sodium, vegetable grade magnesium stearate (lubricant), coating (carbohydrate gum [cellulose], glycerin).

Zinc Citrate

Each Tablet Contains:

Zinc (Citrate) 50 mg

Non-medicinal Ingredients: Microcrystalline cellulose, stearic acid, vegetable grade magnesium stearate (lubricant), silica.

PQQ-10®

Each Softgel Contains:

Coenzyme Q10 (Microorganism) (whole cell) 200 mg

BioPQQ® Pyrroloquinoline Quinone (Disodium Salt) 17.65 mg

SUN-E 900 Vitamin E (d-Alpha Tocopherol)

(*Helianthus annuus*) (seed) 5 IU (3.35 mg AT*)

*Alpha Tocopherol

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water, carob powder), organic flaxseed oil, yellow beeswax, non-GMO sunflower oil, lecithin.

OptiMega-3® with Vitamin D3

Each Enteripure® Softgel Contains:

Fish Oil Concentrate

(Anchovy, Sardine, and/or Mackerel) 1425 mg

Omega-3 Fatty Acids 900 mg

Eicosapentaenoic Acid (EPA) 600 mg

Docosahexaenoic Acid (DHA) 300 mg

Vitamin D3 (Cholecalciferol) 1000 IU (25 mcg)

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water, pectin), natural tocopherols.

N-Acetyl-L-Cysteine

Each Capsule Contains:

NAC (N-Acetyl-L-Cysteine) (Free Form) 600 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, croscarmellose sodium, vegetable grade magnesium stearate (lubricant).

B Complex-Pro

Each Capsule Contains:

Vitamin B1 (Thiamine Hydrochloride,

Benfotiamine) 31.69 mg

Vitamin B2 (Riboflavin 5'-Phosphate Sodium) 10 mg

Niacin (Inositol Hexanicotinate) 100 mg

Pantothenic Acid (Calcium d-Pantothenate) 100 mg

Vitamin B6 (Pyridoxal 5'-Phosphate

Monohydrate) 25 mg

Vitamin B12 (Methylcobalamin) 500 mcg

Folate (from (6S)-5-Methyltetrahydrofolic Acid (MTHF),

Glucosamine Salt, Quatrefolic®) 400 mcg

Biotin 250 mcg

Choline Dihydrogen Citrate 50 mg

Inositol (Inositol Hexanicotinate) 50 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica, organic kale, organic alfalfa, organic cilantro leaf, organic parsley, caperberry, sprouted garlic, organic artichoke, organic black radish, organic dandelion, barley grass, pepper, organic celery seed, organic beetroot, organic tomato, wasabi rhizome, fresh freeze-dried sprouted broccoli, organic upland cress, daikon, red radish, organic cauliflower, organic cabbage, organic arugula, organic watercress leaf, grape, pomegranate, strawberry, organic cranberry, organic blueberry, raspberry, bilberry, organic Indian gooseberry, schizandra berry, red orange, organic açai berry, Theracurmin® curcumin, organic decaffeinated green tea extract, organic ginger rhizome, organic echinacea, organic oregano, organic peppermint, organic spearmint, organic spirulina, organic chlorella, red algae, blue green algae, kelp.

Recommended Adult Dose: 1 packet per day or as directed by a health care practitioner. Take with food, a few hours before or after taking other medications or natural health products. Consult a health care practitioner for use beyond 3 months.

Opti Ova® Female Wellness Kit

Code 9810

Size/Form Kit/60 packets

NPN 80093441

Product Overview

- Provides comprehensive nutritional support, with therapeutic dosages, for diverse factors affecting reproductive health
- Broad spectrum antioxidants reduce oxidative stress and damage and enhance mitochondrial function, key determinants of oocyte function and quality
- Provides the most bioavailable forms of nutrients, including pyridoxal 5'-phosphate, *d*-alpha tocopheryl, vitamin D3, methylcobalamin, and (6S)-5-methyltetrahydrofolic acid
- Supports proper endometrial blood flow, supplying nutrients, removing toxins and reactive oxygen species (ROS) from the endometrium, encouraging proper implantation

Ingredients

BioPQQ®

Each Softgel Contains:

Coenzyme Q10 (Microorganism) (whole cell) 200 mg
BioPQQ® Pyrroloquinoline Quinone (Disodium Salt) 17.65 mg
SUN-E 900™ Vitamin E (*d*-Alpha Tocopherol) (*Helianthus annuus*) (seed)..... 5 IU (3.35 mg AT*)
*Alpha Tocopherol

Non-medicinal Ingredients: Softgel (gelatin, glycerin, purified water, carob powder), organic flaxseed oil, yellow beeswax, non-GMO sunflower oil, lecithin.

N-Acetyl-L-Cysteine and Alpha-Lipoic Acid

Each Tablet Contains:

NAC (N-Acetyl-L-Cysteine)..... 250 mg
Alpha-Lipoic Acid..... 300 mg

Non-medicinal Ingredients: Microcrystalline cellulose, dibasic calcium phosphate dihydrate, stearic acid, vegetable grade magnesium stearate (lubricant), clear coating (carbohydrate gum [cellulose], glycerin), silica, croscarmellose sodium.

B Complex-Pro

Each Capsule Contains:

Vitamin B1 (Thiamine Hydrochloride, Benfotiamine)..... 31.7 mg
Vitamin B2 (Riboflavin 5'-Phosphate Sodium) 10 mg
Niacin (Inositol Hexanicotinate) 100 mg
Vitamin B5 (Calcium *d*-Pantothenate) 100 mg
Vitamin B6 (Pyridoxal 5'-Phosphate Monohydrate) 25 mg
Vitamin B12 (Methylcobalamin)..... 500 mcg
Folate (from (6S)-5-Methyltetrahydrofolic Acid (MTHF), Glucosamine Salt, Quatrefolic®) 400 mcg
Biotin..... 250 mcg
Choline Dihydrogen Citrate 50 mg
Inositol (Inositol Hexanicotinate)..... 50 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica, organic kale, organic alfalfa, organic cilantro leaf, organic parsley, caperberry, sprouted garlic, organic artichoke, organic black radish, organic dandelion, barley grass, pepper, organic celery seed, organic beetroot, organic tomato, wasabi rhizome, fresh freeze-dried sprouted broccoli, organic upland cress, daikon, red radish, organic cauliflower, organic cabbage, organic arugula, organic watercress leaf, grape, pomegranate, strawberry, organic cranberry, organic blueberry, raspberry, bilberry, organic Indian gooseberry, schizandra berry, red orange, organic açai berry, Theracurmin® curcumin, organic decaffeinated green tea extract, organic ginger rhizome, organic echinacea, organic oregano, organic peppermint, organic spearmint, organic spirulina, organic chlorella, red algae, blue green algae, kelp.

L-Carnitine

Each Capsule Contains:

L-Carnitine (Tartrate)..... 500 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), silica, microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Resveratrol with Grape Seed Extract

Each Capsule Contains:

Japanese Knotweed Extract (*Fallopia japonica*) (root) (20% Trans-Resveratrol) 200 mg
Grape Seed Extract (*Vitis vinifera*) (seed) (80% Oligomeric Proanthocyanidins)..... 25 mg

Non-medicinal Ingredients: Gelatin capsule (gelatin, purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica.

Vitamin E 400 with Selenium

Each Tablet Contains:

Vitamin E (*d*-Alpha Tocopheryl Acid Succinate)..... 400 IU (268 mg AT*)
Selenium (Yeast) 100 mcg
Vitamin C (Ascorbic Acid) 100 mg
Manganese (Gluconate)..... 10 mg
*Alpha Tocopherol

Non-medicinal Ingredients: Dibasic calcium phosphate dihydrate, microcrystalline cellulose, silica, croscarmellose sodium, vegetable grade magnesium stearate (lubricant), coating (carbohydrate gum [cellulose], glycerin).

Magnesium Bisglycinate

Each Capsule Contains:

Magnesium (Bisglycinate)..... 200 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica.

OptiMega3® with Vitamin D3

Each Enteripure® Softgel Contains:

Fish Oil Concentrate (Anchovy, Sardine, and/or Mackerel) 1425 mg
Omega-3 Fatty Acids 900 mg
Eicosapentaenoic Acid (EPA) 600 mg
Docosahexaenoic Acid (DHA) 300 mg
Vitamin D3 (Cholecalciferol) 1000 IU (25 mcg)

Non-medicinal Ingredients: Enteric softgel (gelatin, glycerin, purified water, pectin), natural vitamin E.

Recommended Adult Dose: 1 packet per day with food or as directed by a health care practitioner. Source of Antioxidants: Consult a health care practitioner for use beyond 3 months.

EstroVantage EM™ Estrogen Modulator

Code	9672
Size/Form	90 Vegetarian Capsules
NPN	80044252

Product Overview

- Reduces the risks associated with hormone imbalance
- Supports healthy estrogen metabolism and a healthy estrogen metabolism ratio
- Includes rosemary extract (*Rosmarinus officinalis*), a promising adjuvant therapy in advanced breast cancer patients
- Green tea polyphenols inhibit the proliferation of breast cancer cells in vivo and in vitro
- Suitable for vegetarians/vegans

Ingredients

Each Capsule Contains:

Calcium D-Glucarate (<i>d</i> -Glucaric Acid Calcium Salt).....	75 mg
Indole-3-Carbinol (3-Hydroxymethylindole).....	75 mg
Green Tea Extract (<i>Camellia sinensis</i>) (leaf) (80% Catechins, 45% EGCg*, <1% Caffeine)	50 mg
Tomato Extract (<i>Lycopersicon esculentum</i>) (fruit) (5% Lycopene).....	50 mg
Broccoli Powder (<i>Brassica oleracea</i> var. <i>italica</i>) (aerial) (0.36% Sulforaphane).....	27.5 mg
DIM (3,3'-Diindolylmethane).....	25 mg
Turmeric Extract (<i>Curcuma longa</i>) (rhizome) (95% Curcuminoids).....	25 mg
Milk Thistle Extract (<i>Silybum marianum</i>) (seed) (50–60% Silymarin)	25 mg
Rosemary Extract (<i>Rosmarinus officinalis</i>) (leaf)	12.5 mg
* Epigallocatechin-3-gallate	

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica.

Recommended Adult Dose: 3 capsules once per day with food or as directed by a health care practitioner. Consult a health care practitioner for use beyond 12 weeks.

Benefits

Lactation aid
Diabetes
Ulcers
Gastric Inflammation

Fenugreek *Trigonella foenum-graecum* Helps promote milk production • 500 mg

Code	9677
Size/Form	90 capsules
NPN	80096992

Product Overview

- Provides 500 mg of fenugreek seed per capsule, allowing for flexible daily dosing
- Extensive traditional history as a medicinal botanical used as an aid for digestion and lactation, along with blood lipid and sugar control
- Single herbal support to clear mucous from the upper respiratory passages
- Rich in antioxidants, soluble and insoluble fibre, flavonoids, vitamins, and minerals
- No dairy, sugar, wheat, gluten, soy, fish, shellfish, corn, egg, tree nuts, or GMOs

Ingredients

Each Capsule Contains:

Fenugreek Powder (<i>Trigonella foenum-graecum</i>) (seed).....	500 mg
---	--------

Non-medicinal Ingredients: Gelatin capsule (gelatin, purified water), croscarmellose sodium, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 2 capsules 3 times per day or as directed by a health care practitioner.

MenoVantage PE™ Phyto-Estrogen

Code 9673

Size/Form 90 Vegetarian Capsules

NPN 80041163

Product Overview

- Potent phytoestrogens: *Angelica sinensis* and *Actaea racemosa*
- Normalizes LH and FSH through the action of *Vitex agnus-castus*
- Gamma oryzanol reduces climacteric symptoms and increases HDL-C
- Hesperidin helps decrease vasomotor activity along with vitamin C
- Standardized herbal extracts
- Suitable for vegetarians/vegans

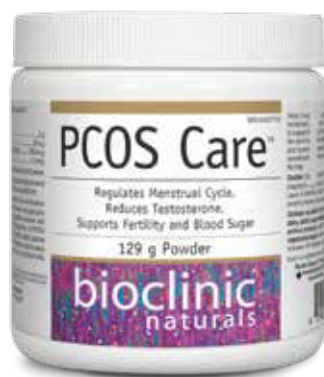

Ingredients

Each Capsule Contains:

Dong Quai Extract (<i>Angelica sinensis</i>) (root)	100 mg
Chasteberry Extract (<i>Vitex agnus-castus</i>) (fruit)	80 mg
Black Cohosh Extract (<i>Actaea racemosa</i>) (root, rhizome)	80 mg
(2.5% Triterpene Glycosides as 27-deoxyactein)	
Gamma-Oryzanol (<i>Oryza sativa</i>) (seed bran)	75 mg
Hesperidin (<i>Citrus sinensis</i>) (fruit)	30 mg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant), silica.

Recommended Adult Dose: 2 capsules at breakfast and 2 capsules at bedtime per day or as directed by a health care practitioner. Use for a minimum of 3 months to see beneficial effect. Consult a health care practitioner for use beyond 6 months.

Diabetes
Fertility
Fetal Development

PCOS Care™ Regulates menstrual cycle, reduces testosterone, supports fertility and blood sugar

Code 9676

Size/Form 129 g Powder

NPN 80087737

Product Overview

- Provides two complementary forms of inositol at the recommended 40:1 ratio of myo-inositol to D-chiro-inositol, consistent with tissue-specific levels of these intracellular signalling molecules
- Contains naturally occurring forms of inositol, clinically shown to have complementary effects on both metabolic and ovarian function among women with PCOS
- Includes methylcobalamin and activated folate (L-5-MTHF) for optimal fertility and pregnancy outcomes
- Unflavoured powder allows for easy twice-per-day dosing

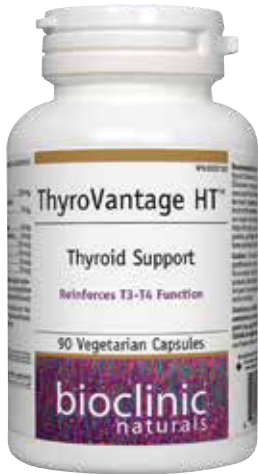

Ingredients

Each Serving (2.15 g) Contains:

Myo-inositol	2 g
D-chiro-inositol	50 mg
Folate (L-5-Methyltetrahydrofolate, calcium salt)	200 mcg
Vitamin B12 (Methylcobalamin)	1.5 mcg

Non-medicinal Ingredients: Organic *Oryza sativa* (rice) hull powder.

Recommended Adult Dose: 1 serving (2.15 g) twice daily dissolved in 250 mL of water or as directed by a health care practitioner.

Benefits

- Constipation
- Dry Skin
- Fatigue
- Hoarseness
- Muscle Cramps
- Thyroid Disorders

ThyroVantage HT™
Thyroid Support

Code	9671
Size/Form	90 Vegetarian Capsules
NPN	80057582

Product Overview

- Thyroid support
- Z guggulsterone from *Commiphora mukul* stimulates thyroid function in vivo
- *Withania somnifera* promotes T4 function in vivo
- Pantothenic acid helps support adrenal gland responsiveness
- Manganese supports the creation of triiodothyronine (T3)

Ingredients

Each Capsule Contains:

L-Tyrosine	250 mg
Ashwagandha Extract (<i>Withania somnifera</i>) (root) (1.5% Withanolides)	75 mg
Guggul Extract (<i>Commiphora mukul</i>) (gum oleoresin) (2.5% Guggulsterone)	60 mg
d-Pantothenic Acid (Calcium d-Pantothenate)	50 mg
Copper (Cupric Gluconate)	250 mcg
Manganese (Citrate)	250 mcg
Iodine (Potassium Iodide)	50 mcg
Selenium (Selenomethionine)	25 mcg

Non-medicinal Ingredients: Vegetarian capsule (carbohydrate gum [cellulose], purified water), microcrystalline cellulose, vegetable grade magnesium stearate (lubricant).

Recommended Adult Dose: 2–4 capsules per day, 1–2 capsules with breakfast and 1–2 capsules with lunch, or as directed by a health care practitioner.

For available marketing and product support materials, please contact your Account Manager or our Customer Service.

- Terms**
- Approved accounts are net 30 days. Customers with current accounts receive a 2% cash discount if payment is included with the order, or sent immediately upon receipt of the invoice on orders over \$100. We allow 10 days from the invoice date for the cheque to reach us.
 - Any account with amounts 60 days past due will be sent C.O.D. (plus service charge).
 - Accounts over 30 days will be charged 2% interest per month (24% annum).
 - Orders under \$100 are subject to a \$15 service charge.
 - C.O.D. orders subject to a minimum \$15 service charge.
 - Title to all goods shall remain the property of Assured Natural Distribution until paid for.

Payment Options Payments accepted by cash, cheque, Visa or Mastercard. Minimum orders \$100.

New Accounts All initial orders and orders thereafter are C.O.D. or cheque accompanying order until the Account Setup Form is received, completed and approved.

Claims All damaged or missing boxes must be noted on the waybill from the courier when the order is signed for. This is a legal document. All boxes must be counted on receipt. Assured Natural Distribution cannot take responsibility to credit items that have not been marked as missing or damaged on receipt.

Returns Please take down the following details from consumer returning products:

- **Consumer's name**
- **Telephone number**
- **Lot number**
- **Product code**
- **Specific details as to the reason for return**

Use product return forms or write information on a piece of paper and attach to the bottle.

We require this information in order to satisfy the regulations of Health Canada, and so we can investigate and/or follow-up any complaints.

FOR ALL RETURNS, Customer must call ahead for a Return Authorization number, so we know why the product is being sent back. The Customer should not send the product back without calling Assured Natural Distribution first. This applies to consumer returns that Quality Control must see, overstocked items and products that were shipped incorrectly.

The Return Authorization number should be written on the box that is returned. Merchandise should not be returned without prior approval. Returns are subject to a 15% restocking charge. Products with less than 12 months expiry (some exceptions may apply) or merchandise sold past 90 days are not accepted for credit. Return Authorization numbers are valid for 30 days only.

NOTE: All returns for full credit must be in condition for resale (which includes an expiry date of no less than 12 months). Any items containing stickers or that require cleaning will be subject to 15% handling and restocking fee without exception. Any items broken due to improper packaging may not qualify for full credit.

Adjustments In the event of an error in billing or shipping, please do not change invoices. Please notify us within 10 days and we will make the necessary adjustments. We will not take responsibility for any discrepancies on invoices not reported in writing within 30 days from the date of invoice.

Shipping All orders over \$250 will be shipped freight prepaid.

Proof of Delivery If you require proof of delivery for a shipment, you must notify the courier or our office within 10 days of the invoice.

Prices Prices are subject to change without notice.

1. What type of business are you? Please check all that may apply:

☐ Natural Health Retailer*
