

Code: 9503

Size: 60 Vegetarian Capsules **Actual Size:** 19.4 mm x 5.9 mm

Digest-ProGD® HP

Digestive Enzymes

- Includes fungal and bacterial proteases to support normal hydrolysis of difficult-to-digest proline-containing peptides, such as gluten and casein*
- Supports comprehensive carbohydrate digestion with plant-based papain, bromelain, and fungal digestive enzymes*
- Nearly 300 mg enzyme blend delivered in each vegetarian capsule allows for easy dosing*
- · Completely suitable for vegetarians

PRODUCT SUMMARY

Digest-ProGD HP is a proprietary enzyme blend for comprehensive carbohydrate digestive support.* It includes fungal proteases derived from *Aspergillus oryzae*, bacterial protease derived from *Bacillus subtilis*, and comprehensive carbohydrate digestive support from papain, bromelain, and fungal digestive enzymes.* *Aspergillus oryzae* extracts are sources of prolyl endopeptidases and dipeptidyl peptidase IV (DPP-IV) – a multifunctional serine protease suitable for proline-containing peptides, such as those found in gliadin and casein, both typically proteolytically resistant proteins.* 1-4

Protease activity from Aspergillus oryzae supports normal protease activity at the proline-rich 33-mer of gliadin.*5

The proline-rich proteins found in gluten are thought to facilitate a cellular debris-generating response in individuals with gluten sensitivity or for whom gluten is problematic, often because of accidental gluten exposure, even for those on a gluten-free diet.*6 According to animal studies, supplementation with protease from Aspergillus oryzae may support a bifidogenic effect, maintaining normal bifidobacteria in the intestines as well as supporting healthy gut-protective amino acids.*7,8

In addition to fungal and bacterial proteases, Digest-ProGD HP includes alpha-amylase, cellulose, and hemicellulose for comprehensive carbohydrate digestion support.*

Supplement Facts

Serving Size 1 Vegetarian Capsule

	Amount Per Serving	% Daily Value
nzyme Blend	267 mg	**
Acid Fungal Protease*1	124.47 mg (690 FCC SAPU)	**
Bacterial Protease*2	75 mg (75000 FCC PC)	**
Fungal Protease*1	24.36 mg (6700 FCC HUT)	**
Alpha-Amylase*1	18.67 mg (2800 FCC DU)	**
Bromelain*3	9.55 mg (315000 FCC PU)	**
Papain*4	7.5 mg (315000 FCC PU)	**
Cellulase*5	3.78 mg (680 FCC CU)	**
Hemicellulase*6	2.34 mg (1875 FCC HCU)	**

^{(*1} Aspergillus flavus var. oryzae) (whole), (*2 Bacillus subtilis) (whole), (*3 Ananas comosus) (pineapple stem), (*4 Carica papaya) (fruit), (*5 Trichoderma longibrachiatum) (whole), (*6 Aspergillus niger) (whole)

Other ingredients: Vegetarian capsule (hypromellose, water), microcrystalline cellulose, magnesium stearate (vegetable grade).

Contains milk, soy.

Serving Size: 1 Vegetarian Capsule

Servings Per Container: 60

Suggested Usage: 1 capsule 3 times per day with meals or as directed by a health care professional. Consult a health care professional for prolonged use.

Caution: Consult your health care professional prior to use if you are pregnant, trying to become pregnant, breastfeeding, taking medication, have a medical condition, or anticipate surgery. Keep out of reach of children.

Contains no artificial colors, preservatives, or sweeteners; no sugar, wheat, gluten, yeast, egg, fish, shellfish, salt, tree nuts, or GMOs. Suitable for vegetarians. Sealed for your protection. Do not use if seal is broken. For freshness, store in a cool, dry place.
